

What consumers think of the 3rd Oxford Companion

15 Nov 2006 by JR

"This is a stupendous feat of organisation. More than that, it is throughout well written and lively, and in possession of a healthy quantity of attitude." Robin Davidson, amazon.co.uk

"Useful and necessary. This is a very important and useful book, highly recommended for everyone who needs to understand all the aspects of wine culture. Very well written, it's a book of great interest. Arthur Azevedo, Brazil

"Indispensible! No wine lovers' library is complete without the *Oxford Companion to Wine* ... this is not a coffee table book. This is a book you will use again and again." Jennifer D Frank, NY

"The greatest wine book... EVER. This tome is simply the best reference for professionals, amateurs and students on the subject of wine. The 3rd edition is updated with additional entries and new statistics, and better maps." Adam C Lapiere
