

Wine on The Business Channel

26 Jan 2007 by JR

Did Oz and James on BB2 recently merely whet your appetite for wine on (UK) tv? Here's another programme, a one- off to be shown on The Business Channel at these times.

Sunday Jan 28: 10.00, 14.00

Monday Jan 29: 09.00, 12.30, 15.00, 20.00

Sunday Feb 4: 10.00, 14.00

Monday Feb 5: 09.00, 12.30, 15.00

It was filmed in Canada, New Zealand, South Africa, Chile and California and, according to its makers, "reveals the passions that go into the production of world- class wines". I wonder how long it took them to dream up the title: **Wineries Around the World**.

The Business Channel broadcasts free- to- air on Sky Guide Channel 547.
