

Waitrose returns fire with 25% off

3 Nov 2009 by Julia Harding MW

Yesterday Jancis alerted bargain hunters to [Sainsbury's offer](#) this week of 25% off all wines and champagnes if you buy six bottles.

Today Waitrose goes on the counter-offensive with a similar offer: 25% off the total price of six bottles or more of wine, including champagne and fortified wines, 4-11 November.

See here for my recent [tasting notes](#) on around 150 Waitrose wines.
