

Owner /business name	Vineyard Name	Year planted	Age	Size (ha)	Variety/ies planted	Location of planting	Notes
Paxton Wines	Old Block Shiraz	1887	100+	1.67	Shiraz	McLaren Vale	Pre Clonal Organic and Biodynamic
M.J. Hardy	Upper Tintara Vineyard	1891	100+	2.54	Shiraz	Blewitt Springs	Planted on own roots and planted on contour. Vine spacing approximately 3 metres by 2 metres. Drip irrigated since the mid 1980's.
Kay Brothers	Amery Block 6 Shiraz	1892	100+	1.4	Shiraz	McLaren Vale	Planted in July and August 1892 by Herbert and Frederick Kay with vine cuttings purchased from Thomas Hardy's neighbouring vineyard. Block 6 has an eastern aspect with gentle undulations. Soils are quite shallow and vary from gravelly alluvial sand loams, red loam and small sections of heavy clay. The underlying geology is classified as 'south maslin sands' comprising layers of glauconite, limestone, calcareous sandstone and siltstone. Block 6 was dry grown until 1893. Limited irrigation was then introduced using a soaker hose. In spring 1991 a full drip-irrigation system was installed.
Leconfield Wines	Hut Block (Hut 08 old vines)	1892	100+	0.74	Shiraz	McLaren Vale	Un-grafted some dry grown
d'Arenberg	Ege Vineyard	1898	100+	0.35	Shiraz	McLaren Vale
